

HOW TO PRODUCE THE PERFECT SEAL – QUBE PRO

1. PREPARE

- Position the sealing template

2. FILL & CHECK

- Fill & check the card as normal

3. PEEL & ALIGN

- Locate the backing paper and peel it from the card.
- Use the **raised locators** on the template to align the card

4. SEAL

- Stick down the card and smooth over with your hand
- Use your roller to roll both **vertically and horizontally** across the card
